

PAWAR PUBLIC SCHOOL, NANDED CITY, PUNE

Std. IV & V

Ref: PPSNC/Acad/024/2023-24

Date: 10th October 2023

Dear Parents,

Kindly note that 'First In Math' (FIM) module will be implemented mandatorily for standards IV and V students. The fees for the same is ₹600/- for the duration of October 2023 through March 2024. Students will get login id and password after the payment. These fees can be paid online through the school website (Fees section → Internal Fees) or in the administrative office. Kindly pay the fees on or before 21st October 2023. This program will help 'bridge the gap' that students have for Mathematics subject. One session per week will be taken in the school. Students can practise thousands of Maths concepts/sums in a fun way. This helps them with problem solving skills, life skills and using digital content for their benefit. They can spend vacation time too with this gaming content related to academics.
