Subject: **THANKS TO PAWAR PUBLIC SCHOOL**

Respected Madam,

Warm Good Evening!!!

First and Foremost, I congratulate the entire staff of "**Pawar Public School**" on behalf of every parent of **Class-X, Academic year 2018-19**.

The school has given a great platform to show her abilities in sports, cultural activities and in academics. The school has successfully conducted "Farewell Party", "Field Trip", "Annual Day" & "Monthly Counseling Session" to relive academic pressure, which helped students for performing openly.

I believe it to be a great honour and privilege to propose thanks to entire staff of "**Pawar Public School**" for a wonderful academic year 2018-19. It's indeed a pride moment for all students and parents who were associated with "PAWAR PUBLIC SCHOOL" who has shown his aptitude and motivated many more parents by converting the prospect into reality by achieving wonderful results. Achieving 100% passing result and 28 students scored above 90% marks is not an easy task which would have been possible with your support & guidance.

My Heartfelt thanks to the principal of Pawar Public School "**Mrs. Anjali Gurjar**" & the faculty staff followed by "**Mr. Dinesh Bandila**", "**Mrs. Sangeeta Biswas**" for their valuable contribution, guidance and encouragement.

Despite of having busy schedule the Principal, HM's & respective subject faculty have managed to come to the examination center and encourage the students by meeting them personally and providing them confidence booster which is really appreciated by every parents.

I wish **PAWAR PUBLIC SCHOOL** will continue the momentum in upcoming academic years too...
