

Kalasetu – Bridging through art

Art is a unique blend of creativity, imagination, learning and expression. It is considered as a significant component of a well-rounded education. To cater to the holistic development of the students, Pawar Public School Nanded City, Pune, had organized an Art exhibition '**Kalasetu**' on January 25th, and January 26th, 2023. '**Kalasetu**' aimed at integrating art with all the subjects, bringing about an altogether new learning experience, for our students. The two day event showcased various art forms like Applique work, Mandala Art, Clay Modeling, Jewellery Making, Scientific Rangolis, Symmetric Rangolis, Canvas Paintings and Model Making. With a view to develop a sense of social responsibility, life skills and entrepreneurship among the students, Lippan Art and Paper Quilling activities were put up for sale, and the amount generated, was donated for charity. Live performances like Yoga display, Street play, Kalinga war enactment, Science of music, Science of dance (Nrityavigyaan), Rathyatra and Palki gave a visual treat to the audiences, taking it to an altogether different level. The entire event was covered by our super energetic PPS News reporters.

'Kalasetu' ensured student participation at all levels, under the able leadership of our Principal Dr. Mrs. Anjali Gurjar, H.M's, teachers, Admin staff along with our non-teaching staff. The exhibition was appreciated by our esteemed guest Mrs. Sanjeevani Tope. Kalasetu brought out the idea of integrating conceptual knowledge by implementing experiential learning methodology, through the medium of art. The school aims at building a strong student fraternity, who will be the future nation builders, building an **Atmanirbhar Bharat**.
