The image shows a mobile application interface for MedDocket. At the top, there is a status bar with icons for gallery, email, Facebook, and notifications, along with signal strength, battery, and time (12:52 PM). Below the status bar is a header with the MedDocket logo (a blue square with a white ribcage icon) and the text "MedDocket". To the right of the header is a small icon of a cross with "MD" inside. The main content is a table with the following columns: Image(s), Date, Plates, Reports, and ViewImage. The table lists seven radiology studies with their respective dates, number of plates, and number of reports.
