

Dear Principal,

We feel proud that both our kids (**Arnav Gosavi 5th B**) and Arav Gosavi (**Sr.KG Div: C**) are studying in such a well-managed school. We are very fortunate that we have such a wonderful Principal, **Dr. Anjali Gurjar**. Her enthusiasm and spirit is felt all over the school and is passed on from the students to the parents. Her hard work, perseverance and dedication to give the best education and facilities in the school, is noteworthy.

I would specially thank **Geetanjali Naik (Class Teacher:Sr.KG Div: C)**, for her out of the box approach to understand each child and dig out the best in them. She takes significant efforts for overall development of the child and his/her personality.

Last but not the least, a special thanks to **Aarti Joshi (Class Teacher 5th B)**. I am short of words to describe her brilliance and discipline. Her discipline helps inculcate good behaviour and values within students. Her stern approach when the students are at fault, a pat on the back and words of appreciation for good work, is very synonymous to a mother and her child. Thus my child is very comfortable in the school and the teacher has earned respect.

My good wishes to the school and the teachers, and I hope to continue this association for long.

Regards

Dr. Vaishali M. Gosavi

Dr. Mahesh P. Gosavi
