

Respected Principal Madam,

We would like to give a feedback for Mrs. Sonal Pande who has been the class teacher for my son Master Himanshu Chaudhari 4th A (2018-19). We are sorry for providing feedback to teacher so late due to other unavoidable priorities.

Mrs. Sonal Pande has been phenomenal in supporting the student's developmental requirements. She has not only taught the school curriculum to the students but also has been successful in mending behaviours of growing kids and inculcating good habits in them. Our son Himanshu has shown very good improvement in studies, behaviour and good habits. The learning from Mrs. Sonal Pande is a foundation stone for Himanshu to improve and develop continuously. We are very sure that Himanshu will retain all his good learning from last year and will keep positive approach. Teachers like Mrs. Sonal Pande are always a blessing for the students. We hope Himanshu will receive similar blessings and support from teachers in future also.

Thank You,

Prerana Chaudhari and Madhukar Chaudhari
