**Dear Parents and Students,**

Most of our students have been fruitfully engaged in attending co-curricular activity classes like coding, cooking, baking, creative art work like drawing, painting, rangoli writing poetry etc. during the pandemic. Here is another activity for you to be carried out for a minimum 21 days, starting from January, 6<sup>th</sup> 2021, # **21 days challenge: 'Tidy up your Home'**. Students will spend 10-15 min twice daily keeping the home neat and tidy. Suggested activities: keeping books stacked, arranging study table, picking up used dishes and cups, cleaning up clothes, folding dry clothes, washing shoes/socks/lunch bag, decluttering the wardrobe. Please donate old sweaters and toys, help mother for kitchen work, water plants, on a daily basis. At the end of 21 days parents will give grades to children and send to CT (Std. I to X) as follows:

**A Grade: Always Completing always**

**B Grade: Completing sometimes**

**C Grade: Needs reminding / not interested**

We hope that the good habits once formed will continue throughout our children lives.
